

MISTER HAMMOCK

Congratulations on your purchase of MISTER Hammock.
We believe that you will find it a product of quality and enjoyment.

INSTALLATION:

1. Position the hammock near a faucet with a water hose.
2. Attach the end of the hose to the hose attachment on the MISTER Hammock.
3. The MISTER Hammock hose is adjustable so it can be wrapped around your hammock's spreader bar.
4. Adjust the MISTER Hammock hose and nozzle in a fixed location overhead.
5. Adjust the valve on the MISTER Hammock to allow continuous flow of water for a good pressure of mist.
